Rancher Red is our new Cabernet-based red blend. It showcases our estate-grown Cabernet and Merlot with some Zinfandel and Petite Sirah for additional complexity.

HARVEST:

Average Sugar: 23 Brix Acidity: 0.61 g/100ml pH: 3.68 units Res Sugar: 0.21%

FERMENTATION AND AGING:

Fermented in stainless steel tanks and pumped over twice a day for two weeks. Drained and pressed into 50% new French and American oak barrels.

CHARACTERISTICS:

This wine is dark red in color with rich, toasted oak aromas from extended time in the barrel. Caramelized plum and black currant aromas are followed by black pepper and anise flavors. There is a rich mouth-feel and polished tannins in the long-lasting finish. "Helluva good wine!" –Nils Venge
